The Vineyard
34ha AOC Minervois, at the heart of the listed village of Minerve.
Manual harvesting

The winery
Each grape variety from each plots is vinified separetly and without sulfites,
under permanent temperature control,
in our modern winery

Los Gals Rouge

Grape variety :
50% centenary carignan
50% grenache

Soil :
argilo-calcareous

Yield : 25hl/ha on average

Winemaking process : maceration carbonic for the carignan; the grenache is de-stemmed and fermented during 8 weeks with regular pumping-over. Aged 10 months in the french oak barrels.

Tasting : complex, intense, exceptionnal, the mouth feel is smooth and silky, with an harmonious length

Wine pairings : on a beautiful piece of beef or a sheep tomme

To be kept : 3-15 years
